Dear Friends,

The Galveston Alumni Chapter of Alpha Phi Alpha fraternity is seeking sponsors and requests your help in supporting the Annual Ennis Emanuel Williams, Jr. Scholarship.

Due to the Covid-19 Pandemic this year's actual luncheon has been cancelled. However, given the continuing need to provide scholarships to our area young men the Gamma Pi Lambda Chapter of Alpha Phi Alpha will continue support the effort through donations to the GoFundMe drive highlighted on the chapter's website ([Gamma-Pi-Lambda.com](http://Gamma-Pi-Lambda.com)).

Student debt following the completion of a four-year college degree has skyrocketed over the past few decades. It has become a reality that financial support toward post-secondary education is a primary determining factor toward student success. A student's ability to decrease his or her reliance on student loans to fund their education has a lasting effect toward their overall quality of life.

The purpose of the Ennis Williams, Jr. Scholarship is to enable well-qualified graduates of our area high schools to enter their college or university with a financial resource to alleviate overall student debt. The Williams scholarship seeks to reward high-achieving students in their efforts to pursue careers in Science, Technology, Engineering, and Math, or STEM.

Recipients of the Williams Scholarship will pass on the legacy of Ennis Williams, a committed educator in the Galveston Independent School District, and community activist. Mr. Williams gave his entire life to serving the citizens of Galveston.

Alpha Phi Alpha's Galveston Alumni Chapter invites you to join us in serving as a benefactor to the future leaders of our community. By serving as a sponsor to the annual Williams Scholarship Luncheon, you will proudly enable and assure the success of our future generation.

Thank you in advance for your tax deductible contribution to the annual Ennis Williams, Jr. Scholarship Fund.

Sincerely,

Ronald Johnson – Chapter President  
Alpha Phi Alpha Fraternity Galveston Alumni Chapter
